

## Information Technology (IT) Committee ~ Dr. HO Chung Ping, MH, JP

The Information Technology workshop on “The HKMA Clinic Management System (CMS) Yuan Wang (YW) Preview Session – Wenchang Project” was successfully held in the afternoon of Monday, 21 December 2015 in the HKMA Central Premises.

Since the HKMA CMS YW will be released in March 2016, it was a good opportunity to introduce to members the new functionalities of the new system. Also, Dr. WONG Wing Nam, Chief Manager (eHealth Record) / Consultant (Special Project), Hospital Authority was invited to talk about the coming development in electronic Health Record Sharing System (eHRSS). After the seminar, there were some hands on test for members.

The preview session was very informative. Some members had also made reservations for the installation when the system is officially launched in March 2016.
